# Basic Philosophies

## Mission Statement

Gowensville Christian School exists to partner with Christian parents seeking an education that sets a high standard of individualized excellence founded on Biblical truth.

## Vision

We exist to partner with Christian parents seeking an education that sets a high standard of individualized excellence founded on Biblical truth. Our vision for each student is that they grow into young men and women who bear fruit in every good work and grow in the knowledge of the Lord our God (Col. 1:9-14).

## Statement of Faith

The statements below reflect the basics of our beliefs. We also find ourselves in large agreement with the Baptist Faith & Message 2000, the "Nashville Statement" on biblical sexuality and the "Dallas Statement" on social justice. Parents and students are encouraged to research these additional statements.

1. God is the Creator and Sustainer of all things and is the Source of all Truth.
2. God is Sovereign and maintains control over His entire universe. He is omnipotent, omnipresent, and omniscient. In all things He is limited by nothing other than His own nature and character.
3. The one living and true God exists eternally in three persons - Father, Son, and Holy Spirit.
4. God has revealed Himself in a general way in His world and universe, and in a specific way in the Scriptures of the Old and New Testaments. These Scriptures are made up of 66 books, from Genesis to Revelation, the authority of which depend not upon the testimony of any man or church and are all to be received as the Word of God.
5. The Bible is the inspired Word of God, the only inerrant and infallible rule of faith and practice.
6. We believe in the deity of our Lord and Savior Jesus Christ, in His sinlessness, in His miracles, in His vicarious atonement by the shedding of His blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His return in power and glory.
7. All individuals are lost in sin apart from Jesus Christ, and that the only way of salvation is through faith in Jesus Christ enabled by the Holy Spirit.
8. Salvation is by God's grace alone and that Christ's vicarious atonement on the cross secured our salvation.

9. We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically and mentally challenged, and every stage or condition from conception through natural death. As believers we are called to defend, protect, and value all human life.
10. We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complimentary genders and sexes together reflect the image of God (Genesis 1:26-27). Rejection of one's biological sex physically, in language or any other way is the rejection of the image of God within that person and cannot be supported.
11. We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Gen. 2:18-25)
12. We believe that any form of sexual immorality is contrary to the Bible's teaching, is sinful, and offensive to God.
13. We believe that every person must be afforded compassion, love, kindness, respect and dignity. Hateful and harassing behavior or attitudes directed toward any individual are not condoned and are not in accord with Scripture or our beliefs.
14. We believe Christianity to be a faith of enlightenment and intelligence. All sound learning, therefore, is part of our Christian heritage. In Christian education there is a proper balance between academic freedom and academic responsibility. The freedom of a teacher or curriculum in any Christian institution is limited by the preeminence of Christ, the authoritative nature of the Scriptures and by the distinct purpose for which the school exists.
15. We believe that membership in a local church is the plain teaching of Scripture and that the regular gathering of this people is on the first day of the week, Sunday. Gowensville Christian School will not schedule school events on Sundays, and asks that all those enrolling in the school commit to a local body of believers.

## Code of Conduct

### Gowensville Christian students are expected to:

1. Honor God, their parents, their instructors, and their fellow students according to biblical principles of conduct.
2. Act respectfully to all students, teachers, staff, and administration. Disrespect in words and/or actions will be dealt with immediately. These disrespectful actions include but are not limited to, not talking when the teacher is teaching, being disruptive in class and failure to follow classroom expectations. Inappropriate language is not acceptable. Bullying, harassment, intimidation of other students or staff both on campus as well as on social media or off-campus will not be tolerated and can result in disciplinary action, as further outlined on page 11 of the Handbook.
3. Know and comply with the GCS dress code that has been established, see page 17. Failure to comply with the GCS dress code may constitute students being asked to call their parents for appropriate clothes.
4. Arrive on time and be prepared to participate in class each day.
5. **Students are expected to come prepared for class.** Late assignment policies will be established by the course instructor in the class syllabus. We recommend and support the general policy that any work that is not with the student in class on the due date is considered late and may be turned in the following week for half credit. All assignments more than one week late can receive a grade of zero. Similarly, if students are absent due to **illness or being out of town**, please know that it is your responsibility to submit all missed work within two weeks of the date assigned. **Please notify teachers of planned absences in advance when at all possible.**
6. Be honest and original in all assignments. Plagiarism or cheating of any kind is not tolerated, and students will receive a zero on the assignment.
7. Cell phones, tablets, smart watches or electronic devices are not to be used at any time on campus without permission. Inappropriate or disruptive use of these items will result in disciplinary action. Teachers may send students to leave their phones/electronics safely in the front office if they become a classroom distraction, where parents can pick them up. Cell phones/electronics may be brought to school but must remain in backpacks and turned completely off throughout the day
8. No knives, guns or anything that might bring harm to another person is allowed on campus.

# General Policies and Information

## Child Protection Policy

Gowensville Christian School seeks to provide a safe and secure environment for students who participate in our programs and activities. By implementing the below practices, our goal is to protect students at GCS from incidents of misconduct or inappropriate behavior while also protecting our staff and volunteers from false accusations. A more detailed policy is in development (completion before classes begin in August 2024) and can be requested at any time. The following is an overview of those policies:

1. **Staff selection** - All employees and all persons who desire to work with the children in our programs and activities will be screened. At minimum this will involve a written application, personal interview, reference checks and criminal background checks.
2. **Open door policy** - Classroom doors should remain open unless there is an uncovered window in the door or a side window beside it. Doors should never be locked while persons are inside the room unless during a formal emergency lockdown or drill site-wide.
3. **Bathroom policy** - For the protection of all, workers should *never* be alone with a student in a bathroom with the door closed and *never* be in a closed bathroom stall with a student.
4. **Training** - GCS will provide training on this child protection policy to all new employees and will strive to provide opportunities for additional training classes or events on an annual basis. All workers are strongly encouraged to attend these training events.

## Contacting Teacher and Parent-Teacher Conferences

Teachers' preferred form of contact will be included in the class syllabus. If you have any concerns or need to speak with your student's teacher, please contact them in the manner they prefer. Parent-Teacher conferences will be held on an as-needed basis. At GCS, we encourage early intervention and constructive, open communication to ensure the best experience and support for our students and their families, and our educators. Our staff aims to partner with parents, so we invite professional communication between our parents and educators.

## Dangerous Weapons

To provide a safe environment for the students and staff, the possession of dangerous weapons is always prohibited on school grounds or at any school-sponsored event. No knives, guns or anything that might bring harm to another person is allowed on campus.

Any student in possession of a weapon in violation of this policy may be placed under emergency suspension from school, pending an investigation of the incident by the appropriate school or legal authorities. Students who violate this policy may be subjected to disciplinary measures, including suspension, dismissal, or expulsion from school. Students violating this policy may also be reported to law enforcement authorities.

## **Drugs, Alcohol, and Tobacco**

Students are prohibited from using, being under the influence of, possessing, furnishing, distributing, tobacco, e-cigs, alcohol, illegal or illicit drugs, drug paraphernalia, prescription medicine without a perscription or other mood-altering substances while at school or at any school-sponsored event.

Violation of this policy may result in imposition of disciplinary measures, which may include suspension, dismissal or expulsion from school. Students violating this policy may also be reported to law enforcement authorities.

## **Electronic Devices and Personal Items**

GCS will not be responsible for cell phones, tablets, smart watches, electronic devices and/or personal items brought to school that are lost or stolen. Cell phones, tablets, smart watches, electronic devices and/or personal items are not to be used at any time on campus without permission. Inappropriate or disruptive use of these items will result in disciplinary action. Teachers may send students to leave their phones/electronics safely in the front office if they become a classroom distraction, where parents can pick them up. Cell phones/electronics may be brought to school but must remain in backpacks and turned completely off throughout the day.

## **Evacuation and Other Emergency Policies**

The school will conduct regular drills to prepare the students for efficient emergency classroom evacuation. Evacuation routes and emergency policies are posted in each classroom. These policies and plans are in a separate document and can be accessed upon request.

## **Field Trips**

Field trips can be used to teach material in a hands-on, educational way. These trips would be part of the school day and align with the curriculum. Permission slips and any payment must be turned in before the field trip. If the trip requires chaperones, parents will need to complete a background check, at their expense, prior to the trip as well. We expect our students to behave in the same manner on these trips as they would at school. They are a reflection of Christ as well as our school.

## **Flex-day Fridays**

Gowensville Christian School's hybrid-schedule allows for four days of in-person instructional classroom time (Mondays-Thursdays 8am-2pm) and a flex day on Friday where campus will be open from 8am-noon. Friday is a unique opportunity for students to practice effective time-management in completing the assignments given during their courses or investing their time in off-campus opportunities. GCS and GCS parents will often emphasize to students that this flexible schedule is a privilege to be earned. Flex-day Friday attendance will be mandatory for 7th-8th grade students for a set time frame agreed upon by the recommendation of the school and the student's parents. When a GCS student demonstrates responsible maturity in completion of classroom assignments, they may submit an application to use their time on Fridays off-campus. Their applications will be approved pending agreement between GCS administration and the student's parents.

It will be highly recommended that parents require 9th-12th grade students attend Flex-day Fridays for a set time frame until they also, transition to the unique flexibility but rigor of the GCS

course requirements. Parents and students in 9th-12th grade may submit applications to exempt Friday attendance at any point. Applications requesting exemption from Flex-Friday attendance are available upon request in the front office. If at any point, a GCS student's academic success struggles, this exemption privilege will be removed and attendance on Flex-Fridays will again become mandatory.

### **Flex-day Fridays on Campus**

Campus will be open on Fridays from 8am-noon. At least two educators/staff and the front-desk receptionist will be on-campus during this time. Students will have the opportunity to study and complete assignments from the week in a study-hall-style atmosphere. Educators will be available to proctor make-up tests/quizzes/assignments or provide basic tutoring support. Students who are done with assignments may use the gym or other classrooms that are open to socialize. This gym time is a privilege and can be restricted at the discretion of the staff on-campus. Students are expected to make efficient use of this time and treat the staff, campus, and facility with respect. All drop-off/pick-up, security, conduct, cell phone, dress-code and other policies apply.

### **Force Majeure**

Parents agree that GCS will not be liable for any failure or delay in the performance of its duties or obligations to the extent such failure or delay is caused by a force majeure or an event beyond the school's reasonable control. This includes but is not limited to a fire, flood, act of God, war, government action, act of terrorism, epidemic, pandemic, natural disaster, or other major upheaval which renders performance impractical, illegal, impossible, or otherwise inadvisable. In such an event, GCS's duties and obligations shall be suspended until such time as the school, in its sole discretion, determines that it may safely and ably resume performance. GCS will provide notification of such a suspension in a reasonable time and method. During such a suspension, parents are expected to make all payments due to the school and there will be no refund of tuition, fees, or other payments previously made. As an alternative to suspending performance, GCS may elect to operate on a distance-learning basis, may choose to extend its school year, and/or may adopt an alternative schedule to complete its school year curriculum.

### **Grading System**

The reporting process is designed to convey the development and growth of each student based upon the following standards:

|          |         |
|----------|---------|
| A 90-100 | D 60-69 |
| B 80-89  | F 0-59  |
| C 70-79  |         |

Progress will be issued in the middle of each semester. Report cards will be issued at the end of each semester.

Parents may monitor their student's progress online. Details and login information will be provided at the beginning of the course semester.

## **Graduation Requirements**

### **Harassment, Bullying and Cyberbullying Policy**

GCS's policy is to provide an academic environment that honors the Lord in all interactions with one another. This environment should be free from harassment – whether based on gender, race, color, national or ethnic origin, age, veteran status, disability, or other protected characteristic applicable to a religious based institution. Harassment of any type, including physical, sexual, verbal, or electronic will not be tolerated. This policy applies to the actions of faculty, staff, volunteers, and students. Anyone who violates this policy will be subject to discipline, up to and including termination or expulsion. Parents will be notified when an incident involving their student is brought to the attention of the GCS staff. Instances where there is sufficient evidence that a crime has been committed will be reported to the appropriate authorities.

Bullying is unwanted, aggressive behavior among school-aged children/students that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying, whether physical, verbal, or indirect, is unacceptable behavior and will not be tolerated at GCS. Any teacher or student who believes this policy has been violated by another person should immediately report the violation to the administration.

All forms of harassment in cyberspace, often called cyberbullying, are unacceptable and will not be tolerated at GCS. Cyberbullying includes, but is not limited to, the following misuses of technology: harassment, teasing, intimidating, threatening, or terrorizing another person by sending or posting inappropriate and hurtful email, instant, or text messages, digital pictures or images, or website postings (including blogs). Students who feel they have been the recipient of such misuses of technology at school should immediately report the incident to their teacher and/or an administrator.

### **Homework**

Gowensville Christian School provides a unique hybrid-model which does not include a traditional number of classroom, instructional minutes. Therefore homework assignments will be an important priority in the time-management of GCS students. Attendance and efficient use of time on Flex-day Fridays is the best way to provide students with the time and instructional support needed to get homework assignments completed well and on time. If a student's grades are impacted by incomplete or missing homework assignments, Friday attendance will no longer be optional.

## **Insurance Coverage**

GCS parents understand and acknowledge that each family assumes the responsibility of the costs due to injuries to their children incurred at the school, on the school grounds, or other school sponsored activities.

## **Liability and Dispute Resolution**

Persons/organizations understand and agree that neither the school, nor its trustees, representatives, employees, partners and agents may be held liable in any way for an occurrence in connection with the activity which may result in injury, harm or other damages to the undersigned or members/visitors of their events, invited or not. Persons/organizations using school facilities agree that they alone shall be responsible for any property damage, personal injury or death that may occur during use of the premise, appliances/fixtures therein, or on field trips.

As part of the consideration for enrollment those enrolling release the school, its trustees, employees, agents and representatives from any claim for damages, injury or death which may occur while participating in any school activity. They further agree to save and hold harmless the entities from any claim arising out of or participation in any form or fashion in the activity.

Parents will be responsible for financial compensation due to damage or theft caused by their students/guests, at the discretion and judgment of the school.

## **Lost and Found**

Parents are expected to label all coats, jackets, clothing, lunch boxes, supplies, and personal property. This expedites the search for the rightful owner of any lost item. Inquire at the school office for the location of the lost and found. Unclaimed items will be periodically donated to a local charity. GCS is not responsible for lost or stolen items.

## **Lost Textbooks**

Textbooks are loaned from the school on a per-year basis. Should a student lose a book, or return it in an unusable condition, the replacement cost of the book will be charged to the student's account.

## **Parental Responsibilities**

Parents play a vital role in the school by contributing their time, talent, enthusiasm, experiences, and resources in a variety of ways. Parents' help and support is greatly appreciated. It is for these reasons we ask the parents of GCS students to:

- Support the school and staff with your prayers, cooperation, and financial faithfulness.
- Set a Godly example in your home, in church attendance, and involvement in service.
- Train your children in areas of respect, obedience, responsibility, orderliness, punctuality, and positive attitudes.
- Provide adequate and nutritious meals (including breakfast), ample sleep, and rest for your child.
- Participate in your child's education, both at home and at school by volunteering to help when you are available.

- Promote GCS in your community, church, and circle of friends.
- Always support the policies and discipline of the school. Address concerns through proper channels and never in the presence of children/students.

### **Personal Spiritual Counseling**

Because we take a personal interest in the student, there will be a continued effort from the teachers and administration to encourage and guide the student in spiritual, academic, and personal matters. Pastoral staff may be available to counsel students at the recommendation of the administration and desire of parents.

### **Photo Rights**

All families give the right to GCS to have their picture and/or likeness used in school publications. Families in objection to this policy must notify GCS in written form no later than 30 days after the beginning of the school year.

### **Pledges**

As part of the daily “opening exercises”, we salute and pledge to the American flag, Christian flag, and the Bible and participate in cooperative prayer. Patriotic and Christian songs may be sung. Students are expected to stand at attention and participate in each pledge. Please help your student learn the words to the following pledges.

**AMERICAN FLAG:** *I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands; one nation under God, indivisible, with liberty and justice for all.*

**CHRISTIAN FLAG:** *I pledge allegiance to the Christian flag, and to the Savior for which it stands; one Savior, crucified, risen, and coming again with life and liberty to all who believe.*

**BIBLE:** *I pledge allegiance to the Bible, God’s Holy Word. I will make it a lamp unto my feet and a light unto my path. I will hide its words in my heart that I might not sin against God.*

### **Safety and Security**

Gowensville Christian School’s front door, and all other doors, will remain locked at all times. Approved visitors will be buzzed in by the Office Administrator. For security purposes, all school visitors must check in at the front desk and have a visitor’s badge to be allowed on school hallways before school and during school hours. Visitors without badges will be asked to go to the front desk for a badge.

Access to areas used by GCS are normally limited to one outside door. This door is closely monitored by the administration and by video cameras. When special programs are scheduled, other entrances are opened but traffic in GCS areas are under increased surveillance.

Classrooms are equipped with doors that lock to provide additional security for the occupants in an emergency. Procedures have been established to properly respond to emergencies.

### **School Closings–Inclement Weather**

In the event of inclement weather or other disaster, school closures will be reported on the standard GCS communication system as well as on the school website and via social media.

### **School Office and Visitors**

The school reception area is open on school days, M-Th, from 7:30 a.m. until 3:00 p.m. and 7:30-1:00 p.m. on Fridays. The financial office is open at various times throughout the school week. Payments may be dropped off at any of those times, or paid online.

- The school day cannot be continually interrupted with deliveries or messages for students. All messages and items will be delivered during the lunch break or at the end of the day, unless they are of an emergency nature.
- Students must be responsible for coming to school prepared with necessary materials and instructions for afternoon pick-up.
- Pick-up arrangements for students must be communicated to the front office by a note or email sent from home. If arrangements are made after a student is at school, the office must be notified of changes before noon when possible.
- For security purposes, all school visitors must check in at the Receptionist's desk and have a visitor badge to be allowed on school hallways before school and during school hours. Visitors, who have been sent by parents to pick up students because of sickness, doctor's appointments, etc., should report to the school office and wait until the student is excused from class. Visitors without badges will be asked to go to the Receptionist's desk for a badge.

### **Searches and Seizures**

The school has a substantial interest in maintaining security and a safe drug-free learning environment at school and school related activities. The school may conduct searches and seize items found which are in violation of the school policy. The searches may be with or without reasonable suspicion, random, or unannounced. Searches will be conducted by school officials or local police authorities, and specially trained weapon and narcotics dogs may be used.

### **Student Health Policies and Medication**

A medical form is to be completed yearly for each student and be on file in the front office. Please notify the office during the school year to update your student's information. Whenever your student is unable to attend school due to illness, the parent shall email the school office at [office@gowensvillechristianschool](mailto:office@gowensvillechristianschool) by 8:45 a.m. to report the absence and the nature of the illness. Medication needs will be coordinated on an individual basis between parents and Gowensville Christian School before the school semester begins or as needed throughout the semester. All records will be on file with the school administrative office. At no time may a student give medication to another student. If medication is given to another student, disciplinary action will be taken.

## **Traffic and Transportation**

Please visit the GCS website to view a map for morning drop-off and afternoon pick-up. Please use this route daily to ensure the ease of traffic flow and safety.

Parking lots are also designated on this map. Please use the appropriate spaces when visiting GCS.

### **Drop-off**

Under no circumstances should any student be dropped off prior to 7:30 a.m. Parents should make certain GCS staff are on duty and supervising the child before driving away.

The drop off area will be monitored until 8:00 a.m. After 8:00 a.m. students should be dropped off at the front office entrance.

### **Pick-up**

Each parent will be issued 2 visor cards with the family's ID number. Cards should be given to persons authorized to pick up students. It will be necessary for anyone who does not have a visor card to come inside for a permit. The Receptionist will need to see a driver's license or picture id in order to issue a permit. Permits will only be issued to persons authorized to pick up the student. Permits are dated and valid for one day. Parents will need to get into the car line and give the permit to the dismissal teacher. Parents may not use the permit for walk-up or inside pick-ups. Parents should call the school office if a visor replacement is needed.

Students are permitted to drive to and from GCS and park in assigned parking spaces located on the traffic map.

On occasions when a student will not be picked up by parents or the normal designated person(s), a note must be sent to the school office giving permission for the student to ride with someone else. For safety purposes, students are not permitted to ride with someone without prior notification. The designated person should have proper identification ready to show the teacher. Parents should not wait until the end of the day to notify the office of alternate pick-up procedures. Notes must be sent in the mornings to ensure the teacher gets the message. In the event alternate plans must be made after the student has arrived at school, the school office should be notified before noon. After noon, it will be necessary for the alternate pickup person to come inside for a permit, before returning to the car line.

### **Student Drivers**

Students driving to school are given permission to do so under the following conditions:

- A vehicle permission slip shall be signed by the parent(s) at the beginning of each school year.
- Students shall not go back into the parking lot after exiting the vehicle without Administrative permission once school begins.
- Parental permission from both parents is required for student drivers to transport other students in vehicles both on and off school grounds.
- Safe driving habits shall be maintained at all times on the school property. The speed limit on the school property is 10 miles per hour. Any safety violation, including "peeling out," on the school property may result in a suspension or revocation of parking and driving privileges.

- Vehicles with bumper stickers, decals, or car tags deemed inappropriate by the administration shall not be allowed.
- GCS assumes no liability for damages to any vehicle or for any materials left connected to these vehicles which are damaged by acts of vandalism, accidents, thefts, storms, etc.
- The principal or designee is authorized to search, including the use of drug or weapon smelling dogs, any student's vehicle and any property in the student's possession while on school premises, or at school activities, for possession by the student of any item which is illegal or prohibited by school rules, or for property believed to have been stolen from another student, an employee or the school.

*The decision to search must be based upon a reasonable suspicion that the student to be searched has committed the violation of school rules and evidence of the violation may likely be discovered in the search. Prior to conducting the search, all the circumstances surrounding the case will be considered, including: (a) the student's age, history, and record in school; (b) the seriousness of the suspected violation; (c) the importance of making a search without delay and further investigation; and (d) the specificity and source of the information used as justification for the search.*

Drivers, who have siblings who attend GCS, shall personally escort them to their vehicle at the end of the school day. This also applies for vehicle riders. At no time should any student, other than a driver or escorted rider, be walking through the school parking lot at the beginning or end of the school day.

## **Discipline Policies and Information**

### **Behavior Guidelines**

Behavioral issues will be reviewed by the Director and/or the Assistant Director on a case-by-case basis to determine whether the violation is major or minor. Major behavioral violations will result in probation, suspension, or expulsion from GCS. The penalties are severe because the types of behavior are antagonistic to the basic purpose of the school, hurtful and/or harmful to others, and harmful to the school's reputation and its witness to the community. Minor behavioral violations will result in consequences deemed appropriate by the teacher and/or administration.

### **Cheating**

Be honest and original in all assignments. Plagiarism or cheating of any kind is not tolerated, and students will receive a zero on the assignment.
